Currently in three cities - Budapest, Miskolc and Debrecen – we have catechism education in kindergarten age ly being organized and negotiated education. We are planning catechism time mainly for under 18

In places where we are brings along the birth of a new education cannot be separable

We want to support those call to the holy priest -service be sisters/brothers in different them until they do the three

It is a very important sig- they specify their donation it for that special purpose. If donation will be used freely for

groups up to adults + ages. It is current- in several places to launch catechism chism and language camps in sum- year olds.

launching catechism education it sanctuary/church/shrine because from the Mass.

young boys who can hear God's and those girls/boys who want to orders. We continue to support vows.

nal for our donors, supporters if marking the purpose, so we can use this is done without targeting the any of our goals.

If the purpose of the donation is not specified, we will use it freely to achieve our goals. Each year, until January 15, we establish a statement of the amounts and values of the donations, transmitted to the tax authorities before January 31.
